PRIORITY

General Clark, Chief of US Training Mission, asked me some time ago to speak before the Royal Saudi Arabian Staff College on "The Relations Between Saudi Arabia and the United States." He has now confirmed he would like me to speak at the Staff College at Riyadh on November 24. I believe this a favorable occasion to impart a correct view regarding our policy for Saudi Arabia as well as our general foreign policy to an audience of some potential importance in the Saudi scheme of things. I am informing Foreign Office of this invitation but not requesting its permission to make the address. Would greatly appreciate receiving urgently any suggestions or language which the Department would like me to include in my talk which I intend to keep brief, about 20 minutes. I would use Isa Sabbagh as my interpreter. In day or two will cable outline of my proposed remarks and request approval of certain specific statement I propose to make.
